

## **TYPICAL SCHEDULE FOR CONSTRUCTION INSPECTION & COMPLIANCE**

- Day 1 - Notify the Town Highway Department of the intent to start work two (2) days in advance. Schedule all inspections with at least two (2) days notice. Office hours are Monday-Friday, 8:30 A.M.-4:30 P.M., Telephone: (914) 381-7825.
- Day 3 - Work may begin providing plans approved and Street Opening Permit issued.
- Day W - Inspection of excavation(s) & compacted subgrade prior to placement of any: Utility service line, storm drain & sewer piping, backfill material (sand, k-crete, crushed stone etc.), filter fabric and/or related.
- Day X - Inspection of any installed utility services, piping, drainage chambers, reinforcing steel, crushed stone, sand, cement mortar etc. prior to backfill.
- Day Y - Inspection of backfill operation with approved materials as per Town of Mamaroneck Highway & Engineering Specifications. Submit copy of material certificates to Town Inspector.
- Day Z - Inspection of paving, concrete pours for sidewalk & curb, final grading, seeding mulching etc. and/or any other surface restoration.
- Day 180 Final Inspection for bond release. If passed, permit applicant may submit Claim Voucher for bond refund.

### **SPECIAL NOTES:**

1. This Schedule of compliance is of general form. Under some operations days W, X, Y, and Z may coincide.
2. **Append a copy of Inspection Schedule to all working plans.**
3. Any questions regarding inspection requirements and/or Town of Mamaroneck Highway & Engineering Specifications for a job should be directed to the Building, Engineering & Highway Department, Town Center Building - 2nd Floor, 740 W. Boston Post Road, Mamaroneck. **Telephone Number: (914) 381-7825.**
